

Mayor Karen Williams and Councillors of Redland City cordially invite you and a guest to the official opening of

FIONA WEST

THE MARVELLOUS AND MAGICAL

COLLAGE AND THE MOVING IMAGE

CL

Cleveland

26 JUN – 14 AUG

The marvellous and magical are characteristics of both puppetry and surrealism used by Fiona West within her ongoing investigations into lived experiences of displacement and belonging. West's exhibition features large-scale photographs and intimate projections that are handcrafted using a collage and puppet typology. Visual tricks, nostalgia, childhood desires, dreams and memories create a sense of the whimsy and fantastical that underpins West's migratory experiences.
