

Mayor Karen Williams and Councillors of Redland City cordially invite you and a guest to the official opening of

CL

Cleveland

26 JUN – 14 AUG

Rachael Wellisch
Polymorphic Magic
Textiles Transformed

Brisbane-based artist Rachael Wellisch unifies different techniques with shades of natural indigo dye. Wellisch uses discarded, threadbare clothes and worn out bedsheets that undergo alchemical altercations to refabricate into sculptures, hand-made paper and installations. While the works may suggest abstractions of nature, such as rock sediment or vistas of water, the materials offer a view on the relationship between textile production, consumption and waste.
