Vessels and Bird Stories is an exhibition about making something from nothing, the process of creating in the studio from a lump of clay to a fine porcelain vessel covered in drawings.

Shannon Garson encourages the viewer to explore the nexus between form and drawings. Her works reflect her observations of the Quandamooka shoreline, tidal wetlands, rock pools and longitudinal migration.

Exhibition continues to
Tuesday 8 November 2022.

Redland Art Gallery, Capalaba

Capalaba Place, Noeleen Street,
Capalaba Q 4157

Admission free
