Babycare Project

Expressions of Interest (EOI) close 5pm Sunday 11 December 2022

Project Description and Overview

In the coming months, Redland Art Gallery (RAG) will be commissioning one [1] artist or artist group to design and create a painted wall mural within the Babycare facility adjacent to the rear entrance of RAG, Cleveland. This mural represents an opportunity for emerging and early career artists to develop an accessible artwork for a wide audience. The mural will form part of a refurbished Babycare facility which will be designed to foster a welcoming and warm environment for visiting parents, guardians and their children.

RAG will cover the cost of paints for the final mural (acrylic washable paint) and will provide additional funds to contribute towards artist accommodation where needed, travel costs and per diems during the mural installation.

We encourage applications from First Nations people, people of all genders, sexualities and backgrounds, collaborations, regional artists, as well as d/Deaf and Disabled people. If you have any accessibility requirements, please contact RAG so that we can assist you.

Project Brief

RAG is now seeking EOI submissions from artists to commission a design for the walls of the Babycare facilities located in the hall to the Redland City Council Customer Service foyer adjacent to RAG.
