

Guidelines of participation for *In Focus 2023*, Redland Art Gallery (RAG), Capalaba

Exhibition Dates

Sunday 11 November 2023 – Tuesday 16 January 2024
Redland Art Gallery, Capalaba

Overview

In Focus celebrates the wealth of artists living and working across Redlands Coast on Quandamooka Country and the important role art groups play in the cultural life of the region. *In Focus 2023* will centre on the theme, 'My Street'. This broad concept asks artists to consider the visual qualities and unique aspects of their local neighbourhood. After spending extended time indoors in recent years due to mandated lockdowns and isolation periods, this theme is an invitation for artists to step outside and reconnect with their larger surroundings, starting with the street they reside in. The process of creating artworks for *In Focus 2023* will provide artist groups with opportunities to meet, share stories, and reflect on their various experiences living in the area. The resulting exhibition will provide a glimpse into what life is like in the Redlands Coast in a post-Covid 19 context.
